

Aspiration Champion Network

Aged between 14 – 24?

Want support with your education/career pathway?

The **Aspiration Champion Network** was designed to offer young people such as yourself an opportunity to receive bespoke 1-on-1 support and guidance regarding your education or career choices – a support service tailored to you and you alone!

Whether you're looking for insight into a particular career choice, ongoing guidance and support regarding your career and/or education options or wanting to undertake some practical work experience.

By pairing you up with one of our professional Aspiration Champions you will benefit from having access to their knowledge, experience (and contact list!) to help you on your journey.

For more information please either contact your Social Worker, Personal Advisor or ask someone else to on your behalf.
