

We are

ATTFE COLLEGE

Academy Transformation Trust Further Education (ATTFE) College provides lifelong learning opportunities to local and wider communities of Nottinghamshire.

We offer excellent inclusive further and adult education opportunities in a range of non-vocational provisions, along with accredited learning programs from Entry Level to Level 5.

WHAT WE OFFER:

Free Family Activities

Our events and activities are designed to support families to bond and create special memories together, on your doorstep, without breaking the bank!

Activities vary and are aimed at families with children aged 0 - 11 years. Whether you want to cook, be creative, or get active in the outdoors together, we hope to have something for everyone.

Confidence Building for Adults

Our 'A More Confident Me' programme supports adults aged 18 and over to feel healthier, happier, confident and connected.

Community Volunteering Scheme

We believe volunteers are the stars of our community, and our Community Stars Volunteer scheme aims to support ATTFE College learners and members of our local community to engage in volunteering.

ATTFE College Community Hubs

Located inside the Idlewells Shopping Centre in Sutton, our hub provides a warm and safe space for members of the community to socialise and upskill through our activities and courses.

We regularly hold community coffee mornings on Tuesdays from 10am to 12pm, and Fridays from 11am to 1pm.
