

# Fearless Youth Association

# Green Minds Loud Voices

**Empowering young people** through a creative environmental wellbeing project by combining digital storytelling with nature-based mental health support

## **Our activities :**

- Monthly Nature wellbeing circles
- Guided nature walks
- Discussions on environmental issues
- Youth-Led Eco media campaign

**Participants** will also create a Youth-Led Eco Media Campaign, making short videos, podcasts, and blogs about local issues like fly-tipping, pollution, and lack of green spaces, while sharing positive, youth-driven solutions.
